

Dear Future NTLP Participant:

Thank you for your interest in NTLP! Join us this summer for an amazing leadership experience!

Our new and improved website has been updated to answer any question you might have about our program. And, in an effort to save some trees (and some postage) we have all the necessary information you need ready to download and print right from your computer. Of course if that is not possible for you or you would prefer the packets emailed or mailed to you, just let us know.

Our goal is for you to experience one of the most enriching weekend of your life. When you bring together an awesome staff, amazing students and astonishing speakers you get a truly inspiring weekend - the kind only NTLP can provide! Students who attend NTLP leave energized, with renewed faith in themselves and a higher expectation for their future. It is fast paced, highly entertaining, extremely motivating and just plain fun!

This is NTLP's 19th year and we are proud to announce you now have a choice of TWO locations! Chapman University, July 9 - 11 (southern California) or UC Davis, July 23 - 25, 2010 (northern California). This is an overnight program. Students will spend the weekend residing in the dorms and all accommodations and meals are included in the program fee of just \$399.

This is what you need to get you started:

- **Program Book Form:** Everyone who registers to attend needs this form. Please fill it out completely and return it by mail, email or fax with your payment. Please email or enclose a photo (school head-shot is best).
- **To Get Sponsors:** IF (not required) you choose to seek sponsorships to help you pay for your attendance, you should also download the "How to raise sponsorships" AND "Letter to Sponsor".
- **Credit Card:** If you would like to pay by credit card (Visa or MasterCard) you can either CALL our office or download the Credit Card form and mail it in. Or you can simply pay online at Register To Attend NTLP 2010.

Remember: Whenever or however you pay, please include the Program Book Form with your payment.

If you will be attending from outside of California and plan to fly, please use the SMF (Sacramento International) Airport for northern CA and John Wayne (SNA) for southern CA. Watch for specials, especially on Southwest Airlines. If you plan to book early, please be sure your flight arrives prior to 11:00am on Friday and departs no earlier than 6:00pm on Sunday. The cost for roundtrip transportation is \$30 (\$15 if you only need one-way). NTLP staff are on hand to greet all arriving students and separate, detailed instructions are mailed or emailed to all students who fly in. If flights from your area do not work with these times or airports, please call to discuss.

We are here to help you! Call (800) 550-1950 or fill out the Contact Us form online if you have any questions at this time. Look through our website: www.teenleader.org. The site provides links to the universities, information on speakers (as they become available), a very detailed FAQ page, pictures from past camps and much, much more!

This is one of the most enjoyable, inspirational and motivational programs you will ever find and we are thoroughly excited that you would like to attend. All of us at NTLP are looking forward to seeing you this summer!

Sincerely,

Christopher Kren
